

# Plano key facts 2025

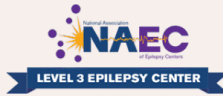

## our mission: to make life better for children

Since 2008, Children's Medical Center Plano has been committed to providing high-quality care closer to home for children living in some of the nation's fastest-growing communities. Our region's first – and the largest – full-service pediatric hospital north of Dallas, Children's Medical Center Plano is equipped with the latest technologies and advanced trauma services and offers world-class care in more than 30 specialties and subspecialties.

## top awards and achievements

Four consecutive designations of ANCC Magnet recognition, the highest honor for nursing excellence

Accredited as a Level III epilepsy center, offering a comprehensive approach to the diagnosis and treatment of epilepsy

2025 Silver Beacon Award recipient from the American Association of Critical-Care Nurses

Designated a Level II Children's Surgery Center, making Children's Health<sup>SM</sup> the first and only pediatric health system in the country to have multiple sites with a Level I or Level II designation
