

**DID YOU KNOW?**  
 Children as young as **3 years old** have the strength to pull a gun trigger.

# Keeping children safe around guns.

**Teach your children about proper gun safety:**

1. Stop, do not touch and walk away.
2. Tell an adult right away.

Half of all Texas homes have guns. **Ask the parents** of your child's friends if they have guns in their home and what they teach their children about gun safety.

**ALWAYS** watch your children when guns are in use and make sure they **wear proper eye protection**. BBs, pellets, paintballs and airsoft pellets can cause serious injuries, especially eye injuries.

**Hidden doesn't mean safe.** Use the triple safe method to avoid injuries. **Always keep guns locked, unloaded and ammunition stored separately.** You can use:

**Gun Safe**

**Cable Locks, Trigger Locks or Safety Locks**
